

**Call for papers in Poster Presentation:**  
**Asia Pacific Dyslexia Forum (APDF) 2020 in Okayama, Japan**  
**Deadline: February 15, 2020**

Dear ALL:

**APDF 2020** will be held in Okayama, Japan at Okayama Convention Center from June 6 to 7, 2020. We gladly invite academics, researchers, and students across the world to present their research at the 2020 APDF. We seek research that is dedicated to understanding developmental dyslexia, reading and writing of scripts and languages in Asia Pacific area. Abstracts for poster presentations in any fields of research are welcome (e.g., education, psychology, linguistics, and many other related fields.).

The two-day Forum will feature the following activities:

- \*Keynote Sessions: A one-hour speech by invited speakers
- \*Symposium: 5 talk sessions related to dyslexia in the Asia Pacific
- \*Paper Presentation: 10 or 15-minute oral highlight; 3-4 papers for a one-hour session
- \*Poster Presentation: Requires presence of author; poster size 900 x 1200 mm
- \*\*\*more details of the Forum will be announced later

The presenting author (poster presentation) should submit an abstract by **February, 15, 2020**. Each abstract should include:

- a) Topic of the presentation
- b) Name, position, and contact email of each author
- c) A 500 word abstract of the presentation
- d) Three to five keywords

All submitted abstracts will go through a review process. Decision notification will be sent out by February 29, 2020.

When selected, please transfer the Participation Fee: 6,000 Yen (for students: 4,000Yen) - to be paid via Paypal to Account: apdf.japan@gmail.com - by March 15, 2020.

When the transfer of the participation fee is confirmed, your participation to the poster session is officially confirmed.

\*Japanese presenter should submit abstract both in English and Japanese.

We are looking forward to your participation in 2020 APDF conference in Japan!

Coordinator: Professor Eiko Todo

Sub-coordinator: Dr. Akira Uno, President of Japan Developmental Dyslexia Association
